STUDENT ENROLMENT FORM

This form is designed to be used for enrolling students in Victorian government schools using CASES21.

Schools, please note:

It is imperative that any enrolment form the school provides to parents/guardians contains the questions marked with the symbol ❖ (and shaded yellow) exactly as they appear on this form. This is a requirement of the Commonwealth Government.

All schools across Australia are required to collect this information for all students. Critical to the success of this process is that all schools use the nationally consistent definitions for student background characteristic information exactly as they appear on this enrolment form. The data obtained from this process is linked to student results on national tests, aggregated, provided to the Ministerial Council on Education, Employment, Training and Youth Affairs and published in such publications as the National Report on Schooling in Australia. No individual student or school is identifiable through the published information. [Refer to Circular 291/2004 for more information.]

A copy of the School Enrolment Privacy Collection Statement must be attached to this enrolment form before distribution to parents and guardians as this is a requirement of the *Privacy and Data Protection Act 2014 (Vic)*. School Enrolment Privacy Collection Statements are located here

HEAD LICE PROGRAM

For the many families and teachers of primary school aged children, head lice continue to create concerns. While it is known that head lice do not carry any infectious disease, at Great Ryrie PS the Principal, teaching staff and School Council have developed a head lice program to help parents manage this problem. The School First Aid officers coordinate the program and it is fully supported by the Principal, teaching staff and School Council.

The program goals include:

1. Reducing the frustration and misinformation associated with head lice
2. Helping to decrease the concerns regarding head lice within the school community
3. Promoting regular home based screening using a conditioner and comb method.

We invite you to include your child/children in our screening program which runs twice per term. If you would like to include your child/children in our screening program the permission slip below needs to be completed and returned to the school. The program works best when the majority of children at the school are involved in the screening program.

There are no toxic chemicals used and no treatment is undertaken at the school.

As part of this program we also expect parents and carers to:

- Regularly (preferably once per week) inspect their child's hair to look for lice or lice eggs
- Regularly inspect all household members and then treat them if necessary
- Notify the school if their child is affected, and advise the school when the treatment was started
- Notify the parents and carers of your child's friends so they too will have the opportunity to detect and treat their children if necessary.

Regular updates about our program will appear in our newsletter. If you have any questions please feel free to contact the school.

I give my permission for my child to participate in the Great Ryrie Primary School Head Lice Program.

Such information will also be collected when required to fulfil a legal obligation, including duty of care, anti-discrimination law and occupational health and safety law. If that information is not collected, the school may be unable to provide optimal education or support to your child, or fulfil those legal obligations.

For example, health information may be collected through the school nurse, primary welfare officer or wellbeing staff member. If your child is referred to a specific health service at school, such as a Student Support Services officer, the required consent will be obtained. Our school also collects information provided by parents, guardians and carers through the School Entrance Health Questionnaire (SEHQ) and the Early Childhood Intervention Service (ECIS) Transition Form.

Our school may use online tools, such as apps and other software, to collect and manage information about your child. When our school uses these online tools, we take steps to ensure that your child's information is secure. These online tools enable our school to efficiently and effectively manage important information about your child and also to communicate with you. If you have any concerns about the use of these online tools, please contact us.

School staff will only share your child's personal or health information with other staff who need to know to enable the school to educate or support your child, or fulfil a legal obligation.

When our students transfer to another Victorian government school, personal and health information about that student will be transferred to that next school. Transferring this information is in the best interests of our students and assists that next school to provide optimal education and support to students.

In some limited circumstances, information may be disclosed outside of the school (and outside of the Department of Education and Training). The school will seek your consent for such disclosures unless the disclosure is allowed or mandated by law.

Our school values the privacy of every person. When collecting and managing personal and health information, all school staff must comply with Victorian privacy law.
